EDUCATION

Ph.D. Anthropology, University of Illinois at Urbana-Champaign, Urbana, Illinois, 1988

Dissertation: The biological significance of the Melanesian Gm distribution: Selection and the Gm-hypothesis. Chair: Eugene Giles, Ph.D.

A.M. Anthropology, University of Illinois at Urbana-Champaign, Urbana, Illinois, 1980

Thesis: A re-examination of the evidence for demographic equilibrium among Australian hunter-gatherers. Advisor: Linda Klepinger, Ph.D.

B.A. Anthropology, University of Iowa, Iowa City, Iowa, 1977

Honors Thesis: The detection of altered collagen in cooked bone. Advisors: Holmes Semken, Jr., Ph.D. (Geology); Richard Shulter, Jr., Ph.D. (Anthropology)

PROFESSIONAL INTERESTS

Anthropological genetics
Evolutionary theory
Biocultural impacts of disease
Population health
Craniofacial growth and development

Biomedical Anthropology
Research design
Quantitative methods
Pacific Prehistory

PROFESSIONAL MEMBERSHIPS

American Anthropological Association
American Association of Anthropological Genetics
Biological Anthropology Section of the American Anthropological Association
Human Biology Association
Paleopathology Association
Society for Medical Anthropology
Society for the Study of Human Biology

PROFESSIONAL EXPERIENCE

ACADEMIC AND PROFESSIONAL APPOINTMENTS

2004-pres, Adjunct Associate Professor, Dept of Occupational & Environmental Health, University of Iowa.

2001-pres, Adjunct Associate Professor, Dept of Community & Behavioral Health, University of Iowa.

1998-pres, Associate Research Scientist, Institute for Rural and Environmental Health, Dept of Occupational & Environmental Health, College of Public Health, University of Iowa.

1997-pres, Adjunct Associate Professor, Dept of Anthropology, University of Iowa.

1996-1998, Data Base Analyst I, Institute for Rural and Environmental Health, Dept of Preventive Medicine and Environmental Health, University of Iowa.

1994-1996, Senior Scientist, Dept of Clinical Research, Medical City Dallas Hospital.

1991-1994, Senior Scientist, Humana Advanced Surgical Institutes, Medical City Dallas Hospital.

1988-1991, Adjunct Assistant Professor, Dept of Anthropology, University of Iowa.

1988-1991, Assistant Research Scientist, Dept of Otolaryngology, University of Iowa.

1986-1987, Visiting Instructor, Dept of Anthropology, University of Iowa.

1983-1988, Research Assistant III, Cleft Palate Surgical Research Laboratory, Dept of Otolaryngology, University of Iowa.

1982, Visiting Instructor, Dept of Anthropology, University of Iowa.

1982, Research Assistant, Cytogenetics Research Laboratory, Dept of Pediatrics, University of Iowa.

SELECT RESEARCH AND PROFESSIONAL ACTIVITIES

2011-pres, Co-Director, Evaluation and Statistic Program, Healthy Workforce Center for Excellence, Dept of Occupational & Environmental Health, University of Iowa

2010-pres, Study Coordinator and Investigator, Keokuk County Rural Health Study, Great Plains Center for Agricultural Health, Dept of Occupational & Environmental Health, University of Iowa.

2006-pres, Research Scientist, Environmental Modeling and Exposure Assessment Facility, Environmental Health Sciences Research Center, Dept of Occupational & Environmental Health, University of Iowa.

2010, Consultant, Kimberly-Clark Health Care, Roswell, Georgia

2009-2011, Research Scientist, Healthy Workforce Center for Excellence, Dept of Occupational & Environmental Health, University of Iowa.

2001-2006, Investigator, Louisa Environmental Intervention Project, Dept of Occupational & Environmental Health, University of Iowa.

2002-2003, Research Associate, Field Museum, Chicago.

1996-2005, Consultant, Cranial Technologies, Inc., Phoenix, Arizona.

1996-1997, Consultant, Dept of Clinical Research, Columbia Hospital at Medical City Dallas.

1996, Supervisor, Dept of Clinical Research, Columbia Hospital at Medical City Dallas, Dallas, Texas.

1991-1997, Research Associate, Dept of Anthropology, Southern Methodist University.

RELEVANT TEACHING EXPERIENCE

COURSES TAUGHT

Community Preventive Programs/Services (with N. Thompson). Dept of Community & Behavioral Health, University of Iowa.

Special Topics: Health and Human Variation. Dept of Community & Behavioral Health, University of Iowa.

Special Topics: Genetics, Culture & Disease, Dept of Anthropology, University of Iowa.

INVITED LECTURES

2009 "Behavioral Etiology of Flat Head Baby Syndrome." Community & Behavioral Health Seminar, University of Iowa, Apr 2.

2007 "Deformational Plagiocephaly: Recommendations for Future Research (Module 10)." Management of Deformational Plagiocephaly [Certificate Program], American Academy of Orthotists and Prosthetists. Chicago, IL, Oct. 26.

2007 "Race/Ethnicity," Social Determinants of Health, Dept of Community & Behavioral Health, University of Iowa, Mar. 27.

2005 "The Plagiocephaly Epidemic in Anthropological Perspective: Biology, Behavior & Boas" Dept of Anthropology Colloquium Series, University of Iowa, Feb. 18.

2000 "Anthropology." Social Science and Health, Dept of Community & Behavioral Health, University of Iowa, Jan. 26.

1999 "Overview of Medical Anthropology." International Health, College of Public Health, University of Iowa, Oct. 13.

1999 "Malaria in New Guinea." Global Health Studies Seminar, Global Health Studies, University of Iowa, Mar. 30.

1999 "Bio-cultural Adaptation to Disease." Epidemiology of Infectious Disease, Dept of Preventive Medicine & Environmental Health, University of Iowa, Feb. 23.

- 1999 "An Anthropological Perspective on the Classification and Treatment of Craniofacial Disorders." Applied Anthropology, Dept of Anthropology, University of Iowa, Feb. 12.
- 1999 "Gene-Environment Interactions and the Colonization of the Pacific." Research Seminar, Division of Occupational & Environmental Health, Dept of Preventive Medicine & Environmental Health, University of Iowa, Feb. 10.
- 1999 "Biological Anthropology in Clinical Treatment and Research." Medical Anthropology, Dept of Anthropology, University of Iowa, Nov 21.
- 1999 "Quantitative Research Methodologies." Introduction to Research Methods in the Health Sciences, Dept of Allied Health Education, University of Oklahoma Health Science Center, Oklahoma City, Oklahoma, Nov. 4.
- 1994 "The Sepik Coast Project." Medical Anthropology Seminar, Dept of Anthropology, Southern Methodist University, Dallas, Texas, Oct. 4.

GRANTS AND CONTRACTS

- Co-Investigator, Keokuk County Rural Health Study: The epidemiology of disease and injuries in an agricultural county. (JA Merchant, Principal Investigator) National Institute for Occupational Safety and Health grant to the Great Plains Center for Agricultural Health (JA Merchant, Center Director), 2006-2011, \$1,916,315.
- Co-Investigator, Keokuk County Rural Health Study: The epidemiology of disease and injuries in an agricultural county. (JA Merchant, Principal Investigator) National Institute for Occupational Safety and Health grant to the Great Plains Center for Agricultural Health (JA Merchant, Center Director), 2001-2006, \$2,499,000.
- Co-Investigator, Exposure intervention in a rural pediatric asthma cohort. (PS Thorne, Principal Investigator) National Institute of Environmental Health Sciences, 2001-2006, \$1,300,000.
- Co-Investigator, Pilot Study of Provider Colorectal Cancer Screening Practices in Iowa. (NJ Thompson, Principal Investigator) American Cancer Society – Midwest Chapter, 2002, \$14,000.
- Training grant recipient, The Etiology And Pathogenesis Of Airway Disease In Children From Rural Communities (G Hunnihake, Program Director), 2001-2002, \$52,920.
- Co-Investigator, Keokuk County Rural Health Study (JA Merchant, Principal Investigator) National Institute for Occupational Safety and Health grant to the Great Plains Center for Agricultural Health (S Reynolds, Center Director), 1998-2001, \$2,399,000.
- Investigator, Repair of bone defects using hydroxyapatite cement. Liebinger Instruments, Dallas, TX, 1993, \$20,000.
- Investigator, A comparative study of the use of two different plating systems under stress in the treatment of craniofacial deformities. Storz Medical, St. Louis, MO, 1993, \$50,000.

Investigator, A comparative study of the two different plating systems on craniofacial growth. Storz Medical, St. Louis, MO, 1992, \$50,000.

Investigator, The efficacy of perforated demineralized bone matrix (PDBM) cranioplasty. Pacific Coast Tissue Bank, Los Angeles, CA, 1991, \$15,000.

Co-Investigator, Growth, surgical and speech aspects of cleft palate (DE05837, HL Morris, Program Director), National Institute for Dental Research, 1985-1991, \$1,708,000.

Investigator, Preliminary study of fertility and demography in the Markham River Valley, Papua New Guinea. Summer Research Grant, University of Illinois, 1982, \$3,000.

- 1989 Squier CA, Bardach J, **Kelly KM**, Hodgins T, Dixit U. Bone apposition and regeneration in surgically created palatal clefts in beagles [abstract]. *Journal of Dental Research* 68:939.
- 1988 **Kelly KM**. Selection and the Gm-hypothesis [abstract]. *American Journal of Physical Anthropology* 75:231.

PRESENTATIONS

SESSIONS, SYMPOSIA ORGANIZED

- 2000 Zimmer-Tamakashi L, **Kelly KM**. Session: Public Faces, Public Responsibility: Anthropology and the World Wide Web. American Anthropological Association. San Francisco, CA. Nov 15-19.
- 1993 **Kelly KM**, Ward, RE. Symposium: Anthropological Perspectives on Cleft Lip and Palate. American Association of Physical Anthropologists, Toronto, Ontario, Apr 14-17.

PAPERS PRESENTED*

- 2003 **Kelly KM**, Littlefield TR, Pomatto JK, Cherney JC. Infant car seats, carriers, bouncy seats and swings: Their role in deformational plagiocephaly. American Cleft Palate-Craniofacial Association, Asheville, NC, Apr 10-13.
- 2002 **Kelly KM**. Community Health Research as Human Population Biology. Invited Session: What Can Biological Anthropology Contribute to Medical Anthropology? (Biological Anthropology Section and Society for Medical Anthropology, W Trevathan, organizer). American Anthropological Association, New Orleans, LA, Nov 20-24.
- 2001 **Kelly KM**, Reynolds SR, Moore G, Stromquist AM, Merchant JA. Developing age-based standards for respirators. American Industrial Hygiene Conference and Exposition, New Orleans, Jun 2-7.
- 2001 **Kelly KM**, Littlefield TR, Pomatto JK. Deformational plagiocephaly in concordant twins: Does in utero position point to a major risk? American Cleft Palate Craniofacial Association, Minneapolis, MN, Apr 23-28.
- 2000 **Kelly KM**. Portals to the people. Marketing Anthropology on the Internet. American Anthropological Association, San Francisco, CA, Nov 15-19.
- 1993 **Kelly KM**, Bardach J, Salyer KE. The effects of repair of an isolated lip defect on maxillary growth: an experimental study in beagles. American Cleft Palate-Craniofacial Association, Pittsburgh, PA, Apr 19-24.
- 1993 **Kelly KM**, Bardach J, Salyer KE. Does gender affect the postoperative growth of the maxilla? Indications from studies in beagles. American Cleft Palate-Craniofacial Association, Pittsburgh, PA, Apr 19-24.
- 1993 **Kelly KM**. An historical perspective on the contribution of anthropology to cleft lip and palate research. In the symposium: Anthropological Perspectives on Cleft Lip and Palate, American Association of Physical Anthropologists, Toronto, Ontario, Apr 14-17.
- 1992 **Kelly KM**. On the genetic basis of hyperreactive malarious splenomegaly and the selection of G3M alleles. American Association of Physical Anthropologists, Las Vegas, NV, Apr 1-4.
- 1992 **Kelly KM**, Bardach J, Salyer KE. Effects of the sequence of lip and palate repair on maxillary growth. Plastic Surgery Research Council, Toronto, Ontario, Apr 29-May 2.
- 1991 **Kelly KM**, Bardach J. Maxillary form following lip repair: an experimental study in beagles. American Cleft Palate-Craniofacial Association, Hilton Head, SC, Mar 18-21.
- 1990 **Kelly KM**, Bardach J, Squier CA, Garner SL. Effects of soft tissue repair on bone regeneration in surgical clefts in beagles. American Cleft Palate-Craniofacial Association, St. Louis, MO, May 13-18.
- 1988 **Kelly KM**. Selection and the Gm-hypothesis. American Association of Physical Anthropologists, Kansas City, MO, Mar 22-26.
- 1988 **Kelly KM**, Bardach J. Facial growth in beagles with cleft palate only following two-flap

palatoplasty. American Cleft Palate Association, Williamsburg, VA, Apr 26-29.

1977 **Kelly KM.** The detection of altered collagen in cooked bone. Regents Honors Conference, Iowa City, IA, Apr 2.

* Also a co-author on an additional 70+ paper or poster presentations at national or international meetings.

SERVICE

STUDENT COMMITTEES

2006, Research Supervisor, Laura Sawatzke B.A. Honors Project, Dept of Integrative Physiology, University of Iowa.

2005-2006, Member, Scott Maddux M.A. Committee, Dept of Anthropology, University of Iowa.

2005, Member, Angela Quella Ph.D. Committee, Dept of Epidemiology, University of Iowa.

2005, Member, Angie Schroder M.P.H. Committee, Dept of Occupational & Environmental Health, University of Iowa.

1999, Member, VJ Mudipalli M.S. Thesis Committee, Dept of Preventive Medicine, University of Iowa.

1990-1991, Member, Ekaterina Semendeferi Comprehensive Examination Committee, Dept of Anthropology, University of Iowa.

1990-1991, Member, Uma B. Dixit M.S. Thesis Committee, Dept of Pediatric Dentistry, University of Iowa.

1990-1991, Member, James B. Himpill M.A. Committee (*non-thesis concentration in museology*), Dept of Anthropology, University of Iowa.

1989-1991, Member, Richard A. Nisbett Comprehensive Examination and Ph.D. Committees, Dept of Anthropology, University of Iowa.

1987-1988, Research Supervisor, Laura Brinks B.A. Honors Project, Dept of Anthropology, University of Iowa.

1983-1990, Cooperating Research Scientist, Iowa-Secondary Student Training Program, Science Education, College of Education, University of Iowa.

NATIONAL

2006-pres, Designer/Administrator, [Global Medical Anthropology Directory](#), Society for Medical Anthropology.

2005-pres, [List Editor](#), [H-MedAnthro discussion list](#).

1993-1995, Member, 1995 Program Committee, American Cleft Palate-Craniofacial Association.

1993-1994, Member, Ad hoc Liaison for Basic Science and Clinical Research Committee, American Cleft Palate-Craniofacial Association.

1994, Consultant, Oral Biology and Medicine Study Section, National Institutes of Health, Bethesda, Maryland.

1992-1993, Member, Committee on Membership Development, American Cleft Palate-Craniofacial Association

DEPARTMENTAL OR COLLEGIATE

2009-pres, Member, Internal Advisory Committee, Healthier Workforce Center for Excellence, Dept of Occupational & Environmental Health, University of Iowa.

2007-pres, Member, Internal Advisory Committee, Great Plains Center for Agricultural Health & Safety, Dept of Occupational & Environmental Health, University of Iowa.

2007-pres, Primary Reviewer, Pilot/Feasibility Review Committee, Great Plains Center for Agricultural Health & Safety, Dept of Occupational & Environmental Health, University of Iowa.

1996-pres, Member, Executive Committee, Keokuk County Rural Health Study, Dept of Occupational & Environmental Health, University of Iowa.

1996, Member, Heart and Lung Transplant Committee, Columbia Hospital at Medical City Dallas

1994-1996, Member/Biostatistician, Institutional Review Committee (human subjects), Columbia Hospital at Medical City Dallas

1993-1994, Member, Scientific Program Committee, *International Symposium on Surgical Techniques in Cleft Lip and Palate: Solving difficult problems*, Dallas, Texas, Apr 12-16, 1994.

1993-1994, Member, Local Arrangements Committee, *International Symposium on Surgical Techniques in Cleft Lip and Palate: Solving difficult problems*, Dallas, Texas, Apr 12-16, 1994.

1991-1996, Member/Biostatistician, Institutional Animal Care and Use Committee, Columbia Hospital at Medical City Dallas

1991-1996, Member, Scientific Review Committee, Dept of Clinical Research, Columbia Hospital at Medical City Dallas

1989-1991, Member, Resident Research Committee, Dept of Otolaryngology, University of Iowa.

1987, Member, Local Arrangements Committee, *State of the Art Conference: Multidisciplinary Management of Unilateral Cleft Lip and Palate*, Iowa City, Iowa, Oct 14-17, 1987.
